Consolidate Accounts

If you need to consolidate many accounts into 1 do the following.

If you have several accounts you want consolidated into 1 sales line on the Income Statement.

Example below is 4 accounts to be consolidated.

401.1
401.2
401.3
401.4

To accomplish this, account 401 level 5 has no balance so you
chose that account and consolidated to account 401.4.
